## BRIGGS WOODS CONFERENCE CENTER

EVENTS PERFECTED

BRIGGS WOODS  
GOLF COURSE

Graduations are an event like no other. With so many guests coming and going to multiple parties in a day, Briggs Woods Conference Center has taken the guess work out of menu planning. This menu considers the smaller amounts that people will eat, teenagers going to dozens of parties that may not eat at all, and of course close relatives that may be at your party for an extended period of time. We have put together this menu with cost efficiency in mind. Choosing options that are both easy and budget friendly alternatives to our main menu. Of course, you can certainly order off of our main menu if you choose, we just want you to have options that may better suit a High School Graduation setting.
